Curriculum Vitae

Prof. M.-R. Haghifam

Personal Information:

- Name: Mahmoud-Reza Haghifam
- Position: Prof. in Power Systems
- Email: haghifam@modares.ac.ir or haghifam.mr@google.com
- Postal Address: Faculty of Electrical & Computer Engineering, Tarbiat Modares University, P.O. Box 14115-143, Tehran, Iran
- Phone Number: +98-21-82884347

Areas of Expertise and Research Interests

- Electric Distribution System Operation and Automation
- Power System Reliability
- Asset Management in Electric Distribution Systems

Academic Experience

- Full Professor, Tarbiat Modares University, June 2006 to date
- Associate Professor, Tarbiat Modares University, May 2002 to June 2006
- Assistant Professor, Tarbiat Modares University, Sept.1995 - May 2002
- Visiting Professor, 2001, IAEW, RWTH, Germany, (DAAD Scholarship)
- Visiting Professor, 2004, University of Calgary, Canada
- Visiting Professor as Alexander von Humboldt Research fellowship, IAEW, RWTH, Germany, 2006

1 of 2 9/16/2016 8:30 PM

Industrial Experiences

- As manger in more than 40 industrial projects in Power System Reliability, Electric Distribution Engineering, Reactive Power Control.
- Senior consultant in Iran Power Generation Transmission and Distribution Management Company (Tavanir Company), Iran Grid Management Company (IGMC) and Regional Electric Distribution Companies in Iran

Publications

- Seven Technical Books
- More than 100 International Journal Papers
- More than 250 Conference Papers
- More than 50 Technical Reports

Membership

- Senior Member of IEEE
- Industrial relationship officer, IEEE Iran Section
- Research fellow of Alexander von Humboldt

Awards & Honors

- Distinguished Professor in Tarbiat Modares University, 2000
- Distinguished Professor in Tarbiat Modares University, 2003
- The best Annual Applied Research in Tarbiat Modares University, 2001
- The best Annual Applied Research in Tarbiat Modares University, 2004
- DAAD scholarship for research stays in Germany, 2000 and 2004
- Alexander Von Humboldt Research Fellowship, Germany, 2006
